

EXPRESSION OF INTEREST

1. Introduction:

The National Education Society for Tribal Students (NESTS) invites proposals from qualified agencies/firms/bodies etc. to undertake comprehensive academic initiatives at Eklavya Model Residential Schools (EMRS) across the country. This initiative is part of NESTS' commitment to enhancing educational standards, preparing students for competitive exams and developing holistic development through allied academic activities including sports and culture.

1.1 Objectives of the Initiative:

The primary objectives of this initiative include:

- a) **Enhancing educational standards:** Develop and implement academic programs that align with national educational goals while catering to the specific needs of tribal students enrolled in EMRS.
- b) **Facilitating competitive exam preparation:** Provide comprehensive offline tutoring and study resources to prepare students for competitive exams such as IIT/NEET/CLAT/NIFT/CA etc. and others relevant to the educational pursuits.
- c) **Allied and incidental academic activities:** Promote a holistic approach to education by integrating sports, cultural activities, and community engagement initiatives into the school curriculum. This includes organizing inter-school sports competitions, cultural festivals, teachers training and its scheduling and other extracurricular events to enrich students' overall learning experience.

2. Background:

The National Education Society for Tribal Students (NESTS) is established with a vision to empower tribal communities through education, thereby developing socio-economic development and inclusivity. NESTS operates under the aegis of the Ministry of Tribal Affairs, Government of India, with a mandate to bridge educational gaps and promote holistic development among tribal youth across the country.

2.1 Mission and Objectives:

NESTS aims to provide equitable access to quality education for tribal students, ensuring they have opportunities to excel academically and contribute meaningfully to society. Central to its mission is the establishment and management of Eklavya Model Residential Schools (EMRS), designed to cater specifically to the educational needs of tribal communities.

2.2 Significance of Eklavya Model Residential Schools (EMRS):

Eklavya Model Residential Schools (EMRS) represent a pivotal initiative under NESTS, addressing historical disparities in educational access and quality faced by tribal students. These schools are strategically located in tribal-dominated areas, offering a conducive learning environment in a residential set up and it runs classes from 6th to 12th and it integrates cultural sensitivity with modern educational practices. The details of the EMRS scheme and list of functional school (as on date 405 schools are functional) can be referred at **Annexure- I & II** respectively.

3. Scope of Work:

3.1 Academic Initiatives Implementation:

The implementation of academic initiatives at Eklavya Model Residential Schools (EMRS) encompasses a strategic approach to conceptualizing, designing, and executing comprehensive educational programs tailored to meet the specific goals and needs of each institution. This involves:

- a) **Conceptualization and design:** Thoroughly conceptualizing educational delivery plan that are not only academically sensitive but also align with the broader educational objectives of nation. This includes consulting with stakeholders, reviewing educational frameworks, and identifying key learning outcomes that resonate with the unique contexts of tribal students.
- b) **Curriculum delivery design:** Designing frameworks and executing, which ensures the delivery of the CBSE syllabus in the schools and integrate national educational standards while accommodating the diverse learning styles and backgrounds of tribal students. This includes developing subject-specific modules, instructional materials as required, and assessment strategies that promote critical thinking, problem-solving skills, and knowledge retention. It is also highlighted that this aspect includes the ground/school level execution also.
- c) **Delivery Mechanism:** Implementing a flexible and adaptive curriculum delivery mechanism that caters to the varying academic needs and learning paces of students within EMRS. This may involve utilizing innovative teaching methodologies, technology-enhanced learning tools, and differentiated instruction to enhance engagement and learning outcomes.
- d) **Monitoring and Evaluation:** Establishing robust monitoring and evaluation mechanisms to assess the effectiveness and impact of academic initiatives. This includes conducting regular assessments, analysing student performance data, and soliciting feedback from teachers, students, and parents to continuously refine and improve educational programs.

3.2 Competitive Exam Tutoring:

a) Provision of Comprehensive Offline Tutoring:

- Engage qualified instructors/faculties specializing in JEE, NEET, CLAT, IBPS, NIFT, and other competitive exams.
- Conduct structured tutoring sessions (including for competitive exams) within EMRS premises, designed for students' academic needs and exam requirements.
- Provide personalized coaching focusing on exam strategies, problem-solving techniques, and time management skills.
- Offer regular mock tests and assessments to track student progress and readiness for competitive exams.

b) Facilitating Study Materials and Resources:

- Ensure and recommend availability of high-quality study materials, including textbooks, practice papers, and reference guides.
- Curate online and offline resources relevant to each competitive exam, accessible to students for self-paced study.
- Establish a resource centre or library within EMRS equipped with exam-specific materials and digital resources.
- Support students in navigating and utilizing digital platforms for accessing e-books, online lectures, and interactive study tools.

3.3 Recommendations for Infrastructure Improvement:

- Provide strategic recommendations and actionable plans for enhancing infrastructure at EMRS, focusing on areas such as classrooms, laboratories, libraries, sports facilities, and residential accommodations.
- Propose infrastructure upgrades that align with educational requirements, safety regulations, and technological advancements to create a conducive learning environment.
- Advocate for the establishment of alumni walls and centric spaces within EMRS premises to develop a sense of pride, belonging, and legacy among students, alumni, and the broader EMRS community.

3.4 Outcome Analysis and Reporting:

• Regular Evaluation and Reporting of Program Outcomes:

- Conduct systematic evaluations of academic programs and initiatives implemented at Eklavya Model Residential Schools (EMRS) to assess their effectiveness and impact on student learning outcomes.
- Implement rigorous assessment methodologies to measure progress, identify strengths, and address areas for improvement in educational delivery and student performance.

• Preparation of Detailed Reports for Stakeholders:

- Compile comprehensive reports detailing program outcomes, academic achievements, and performance metrics to provide transparency and accountability to internal stakeholders, including EMRS Principal and staff.

- Facilitate third-party evaluations as per National Education Society for Tribal Students (NESTS) requirements, ensuring independent assessment and validation of program effectiveness and alignment with educational goals.

3.5 Feedback Mechanism:

- **Establishment of a structured feedback mechanism:**
 - Develop and implement a structured feedback mechanism at Eklavya Model Residential Schools (EMRS) to systematically gather insights from various stakeholders, including students, teachers, parents, and community members.
 - Design feedback collection methods that are accessible, anonymous (where necessary), and inclusive, ensuring diverse perspectives are captured to inform program enhancements and educational practices.
- **Sharing feedback with NESTS for continuous improvement:**
 - Compile and analyse feedback data to generate actionable insights and recommendations for continuous program improvement and decision-making within EMRS at NESTS level.
 - Regularly share feedback findings and recommendations with the National Education Society for Tribal Students (NESTS) to facilitate informed policy decisions, resource allocation, and strategic planning.
 - Integrate a culture of responsiveness and transparency by incorporating stakeholder feedback into the iterative process of refining educational initiatives and enhancing overall school effectiveness at EMRSs.

3.6 Capacity Building and Training:

- **Development and execution of a ‘Comprehensive Teachers’ Training’ calendar:**
 - Establish a structured teachers' training calendar at Eklavya Model Residential Schools (EMRS), outlining professional development sessions, workshops, and seminars throughout the academic year.
 - Identify training needs through need assessments and feedback mechanisms to formulate training programs that address specific educational challenges and goals.
 - Collaborate with educational experts, resource persons, and external trainers to deliver specialized training modules aligned with curriculum updates, pedagogical advancements, and student learning needs.
- **Formulation of guidelines and selection of a ‘Master Resource Group’ of trainers:**
 - Develop clear guidelines and criteria for selecting a master resource group of trainers within EMRSs, comprising experienced educators with expertise in diverse subject areas and pedagogical methodologies.
 - Facilitate the recruitment or selection process based on merit, qualifications, and demonstrated teaching proficiency to ensure a high standard of training delivery and mentorship.
 - Empower the master resource group to impart specialized skills, instructional strategies, and innovative teaching practices to faculty members, developing continuous professional growth and enhancing teaching effectiveness across EMRSs.

3.7 Fundraising and CSR initiatives:

- **Exploration of fundraising opportunities through corporate social responsibility (CSR) Initiatives:**
 - Identify and explore potential fundraising opportunities through Corporate Social Responsibility (CSR) initiatives to secure financial support for enhancements at Eklavya Model Residential Schools (EMRS).
 - Develop strategic partnerships with corporate entities, foundations, and philanthropic organizations to align CSR goals with EMRS educational priorities, developing sustainable funding streams for infrastructure development, academic programs, and student welfare initiatives.
 - Leverage CSR platforms and campaigns to raise awareness about the educational needs of tribal students and encourage corporate participation in promoting educational equity and social responsibility.
- **Collaboration with external stakeholders for resource mobilization and sustainability:**
 - Initiate collaborative relationships with external stakeholders, including alumni associations, community groups, government agencies, and non-profit organizations, to mobilize resources and support EMRS sustainability initiatives.
 - Organize fundraising events, sponsorship drives, and donation campaigns to garner financial contributions, in-kind donations, and volunteer support for enhancing educational facilities, student scholarships, and extracurricular activities.
 - Establish transparent communication channels and reporting mechanisms to demonstrate accountability and stewardship of funds raised, ensuring impactful utilization in advancing educational opportunities and outcomes for tribal students at EMRS.

3.8 Developing Sports & Cultural Activities at School Level:

- a) **Sports development:**
 - Design and implementation of comprehensive sports programs aimed at developing physical fitness, teamwork, and sportsmanship among students.
 - Assessment of existing sports facilities and equipment, followed by recommendations for upgrades and improvements.
 - Organization of inter-school competitions/State level, coaching and sports events to showcase student talent and encourage participation.
- b) **Cultural activity enhancement:**
 - Promotion of cultural diversity and heritage through the organization of cultural festivals, workshops, and exhibitions.
 - Collaboration with local artists, performers, and cultural organizations to enrich students' cultural experiences.
 - Integration of cultural activities into the curriculum to enhance students' appreciation for arts, music, dance, and literature.
- c) **Infrastructure and resource allocation:**
 - Identification of requirements for sports and cultural infrastructure enhancements, including auditoriums, music rooms, art studios, and outdoor recreational areas.

- Development of proposals for infrastructure projects and resource allocation to support sports and cultural activities.
- d) **Community Engagement:**
 - Engagement of parents, community members, and local stakeholders in supporting sports and cultural initiatives.
 - Establishment of partnerships with community organizations and sponsors to provide resources and funding for sports and cultural events.
- e) **Monitoring and Evaluation:**
 - Implementation of monitoring mechanisms to assess the effectiveness and impact of sports and cultural activities on student development.
 - Regular evaluation of participation rates, student feedback, and overall satisfaction to inform program adjustments and improvements.

1. Introduction

The establishment of an egalitarian social order, free from all forms of discrimination whatsoever, has been a cherished goal enshrined in the Constitution. Special care therefore has been bestowed on the disadvantaged sections of the society, especially the simple Tribal people to enable them to catch up with the rest as early as possible. Accordingly, the Constitution provided a comprehensive framework for the protection

"Education in its real sense is the pursuit of truth. It is an endless journey through knowledge and enlightenment. Such a journey opens up new vistas of development of humanism where there is no scope nor room for pettiness, disharmony, jealousy, hatred or enmity. It transforms a human being into a wholesome whole, a noble soul and an asset to the universe. Real education enhances the dignity of a human being and increases his self-respect. If only the real sense of education could be realized by each individual, and carried forward in every field of human activity the world will be so much a better place to live in."

*Dr. APJ Abdul Kalam
(Former President of India)*

and advancement of the Tribal people. In addition to the Constitution protective regime put in place in the Constitution of India for the disadvantaged sections of society in general, many provisions were specifically provided for safeguarding interest of tribals and with a view the objective of providing more focused approach on the integrated socio-economic development of the Scheduled Tribes (STs), the most underprivileged of the Indian society, in a coordinated and planned manner, Ministry of Tribal Affairs (MoTA) was set up in the year 1999.

Since its inception, endeavor of Ministry of Tribal Affairs has been to take various initiatives for overall upliftment of Tribals across the country. Amongst these, providing quality education to ST students have been among the main focus of the Ministry as educational development is a stepping-stone to economic and social development and is also the most effective instrument for overall empowerment.

2. Objective

- a. In the context of trend of establishing quality residential schools for the promotion of education and also to ensure all round development of tribal students in all areas, habitations and diversified environment throughout the country, the Eklavya Model Residential Schools (EMRS), Eklavya Model Day Boarding Schools (EMDBS) and Centre of Excellence for Sports are being established for ST and PVTG students.
