

NESTS No. NESTS/Civil/EMRS Order/140/2021-22 (Pt.)

Dated: 02.11. 2023

To,

Principal Secretary/Secretary/Commissioner,
Tribal Welfare Department,

Sub.: Construction of EMRSs – Electricity and Water connection reg.

Ref.: NESTS No. NESTS/Civil/EMRS Order/140/2021-22 (Pt.) dated 10.01.2023.

Dear Sir/Madam,

As several EMRSs are near completion, many of them currently rely upon temporary electrical connections or DG set power supplies which were arranged by the contractor to facilitate the construction work at sites. In order to make these schools operational, there is a pressing need for permanent electrical connections to ensure the proper functioning of electrical installations and other facilities at the site.

In this regard, NESTS (National Education Society for Tribal Students) has already issued letter dated 14-09-2022 and 23-09-2022 to certain state governments and 10-01-2023 (**Enclosed**) to all the Construction Agencies (PSUs) to take Electrical & Water Supply connection in the name of Nodal Officer, State EMRS Society. Presently, local management of these schools is being administered by the State Tribal Welfare Department; hence, a copy of this order had also been served to Nodal Officer/s of the concerned State EMRS Societies. However, few State Tribal Welfare Departments are not sharing the names of Nodal Officer with respective Construction agencies as it is presumed that they are awaiting necessary directive from the Ministry.

In view of the above, it is informed that with respect to all the EMRSs under-construction, Nodal Officer/s of State EMRS society shall be considered as 'Applicant' while applying for electricity/water connection whereas for the already functional EMRSs, the details of School Principal shall be used for the aforesaid purpose. Furthermore, it is requested that necessary directions may be issued to Nodal Officer, who will sign the Application for electrical/water connection on behalf of EMRS Society/ NESTS.

Yours faithfully,

(Asit Gopal)

Commissioner, NESTS

Copy to:

1. Nodal Officer, State EMRS Society for information and necessary action.
2. Nodal Officer of Construction Agency shall coordinate with the state for timely service connection of electricity/water.

Subject: Regarding submission of application for taking electricity connection.

Ref: (i) B&R/51198/EMRS/JH/319 dated 22-12-2022

Dear Sir/Madam,

As you are aware that Eklavya Model Residential schools (EMRSs) are being constructed in different parts/blocks of Jharkhand. The task of construction of 15 EMRSs has been assigned to B&R (A Govt of India Undertaking) at different locations across the state.

In this regard, a letter on the above-mentioned subject has been received at NESTS from the construction agency wherein 'Applicant Name' is sought while applying for electricity connection at construction sites of two EMRSs namely EMRS Gumla and EMRS Kamdara. The original correspondence from the construction agency, as referred above at (i), has been enclosed herewith for your ready reference.

In the aforesaid matter, it is informed that with respect to all EMRSs under-construction across the State, the Nodal Officer of State EMRS Society shall be considered as 'Applicant' while applying for electricity connection at the State Electricity Dept. Also, it is pertinent to mention that as per EMRS Guidelines clause 9.2 (b) State Government shall provide or cause to provide – Electricity, Water and other utility services at substantially concessional rates at EMRS

In view of the above, you are requested to look into the matter and issue further necessary directions to all the concerned.

Looking forward to your kind cooperation in the matter please.

Encl : As above.

Yours sincerely,

10/01/23 III

Reg.: Regarding submission of application for taking electricity connection.

Ref :- 1. 18015/09/2020-NESTS dated 11.09.2020 "Allotment of work for Construction of EMRS reg".
2. MOU dt. 09.11.2020 between B&R and NESTS.

Dear Sir,

With reference to the subject matter this is to inform you that work for EMRS Gumla & Kamdara have been started by the successful bidder. As you are aware that both the sites are in remote locations, it is required to obtain electric connection for area lighting and other purposes. It is necessary on account of safety concerns of workers residing at the site. Further, it will also help in construction works also as 3-phase electricity is required in running of mini batching plant. For obtaining electric connection, it is required to submit an application to the concerned electricity dept. of the state. Since, this is construction phase for both EMRSs, please confirm us in whose name application for electricity connection is to be submitted to the concerned electricity dept. to proceed further in this regard.

This is for your further needful please.

Yours faithfully

Subject: Construction Work of EMRSs -reg.

Dear Sir,

As you are aware that the Ministry of Tribal Affairs has decided to set up 450 Eklavya Model Residential Schools across the country to impart quality education to ST children in remote areas. The task of constructing these schools has been assigned amongst CPWD, Central Government/ State government PSUs and State governments.

In this regard, NESTS has been receiving letters from various construction agencies wherein queries are submitted with respect to new Water and Electricity connections at under-construction EMRSs.

In the aforesaid matter, it is informed that for all the EMRSs under construction, request/application for new Water and Electricity connection shall be made in the name of Nodal Officer, State EMRS Society. Also, it is pertinent to mention that, as per EMRS guidelines clause 9.2 (b), State Government shall provide or cause to provide Electricity, Water and other utility services at substantially concessional rates to EMRSs.

This issues with the approval of competent authority.

Your sincerely,

Subject: Construction of EMRSs in Jharkhand- Installation of Transformer-reg.

Ref: (1) HSCL/RNC/GM(ZH-II)/EMRS/2022-23/354 dated 15-09-2022

Dear Sir/Madam,

As you are aware that Eklavya Model Residential schools (EMRSs) are being constructed in different parts/block of Odisha state. Construction task of 14 EMRSs assigned to HSCL (A Govt of India Undertaking) at different locations in the state.

Zonal Head of HSCL Jharkhand, informed that construction of EMRSs at 8 locations is in progress and requested to issue further directions in respect of provisions of power supply from the source to the transformer of said sites. Copy of said letter referred at (1) attached for ready reference.

In aforesaid matter, it is pertinent to mention that as per EMRS Guidelines clause 9.2 (b) State government has to Provide, or cause to be provided, electricity, water and other utility services at substantially concessional rates at EMRS.

Furthermore, construction agency reiterated that for obtaining power supply permission, the beneficiary(s) shall have to enter into an agreement with power supply agency and during the agreement with the power supply agency details of beneficiary and documents (i.e., Aadhar, PAN) will be required.

In the above context, this is to inform that Nodal Officer, State EMRS Society shall be treated as beneficiary/party and authorise to carry out agreement with electricity supply agency.

In view of the above, you are requested to look into the matter and issue further necessary directions to all the concerned.

Looking forward for your kind cooperation in the matter please.

Yours sincerely,

Sub.:- Construction of Eklavya Model Residential School in various districts in the state of Jharkhand – Clarification regarding installation of Transformer-reg.

Sir,

This has reference to the provision of permanent power supply arrangement for running of School operations. Out of allotted 15 nos. Schools, Construction work is in progress at 8 locations. Permanent power supply arrangement needs to be installed well before handing over of the Schools.

We require following clarifications / policy provisions concerning power supply to these sites by Jharkhand Bijali Vitran Nigam Limited:

1. Which agency/ authority shall supply incoming power from the source station to the Transformers?
2. In order to obtain power supply permission, the beneficiary (s) shall have to enter into an agreement with state electricity Board for which documents like Aadhar, PAN of that person is required. In the present context, who shall be treated as the party to the agreement with the electricity supply agency?

We request you to kindly clarify the above points so that the projects can be completed on time.

Early response in this regard is highly solicited.

Thanking you and assuring our best services always.

Yours faithfully,

(Anil Kumar)

Sub: Construction of Eklavya Model Residential School in various districts in the state of Odisha -
Clarification regarding installation of Transformer-reg.

Dear Sir,

This is with relation to power supply arrangement to ongoing EMRS projects. We are undertaking the process of execution of this project at 24 locations spanning over 5 districts of the state of Odisha. We require following clarifications / policy provisions concerning power supply to these sites by TATA Power.

1. Which agency/ authority shall supply incoming power from the source station to the transformers?
2. In order to obtain power supply permission, the beneficiary (s) shall have to enter into an agreement with TATA Power person for which documents like Aadhar, PAN of that person is required. In the present context, who shall be treated as the party to the agreement with the electricity supply agency i.e TATA Power?

We request you to kindly clarify the above points urgently as EMRS/ Koliana and EMRS/Baripada sites are in advanced stage of completion. Your guidelines shall be followed with respect to other sites as well.

Early response in this regard is highly solicited.

Thanking you and assuring our best services always.

Yours Faithfully
