**Subject: Construction of EMRS by PSUs- Submission of proposal for Shifting of Mile Stones / grant of EoT as per MoU- reg.**

Sir,

During processing of fund release cases, it has come to notice that most of EMRS projects are running behind the schedule and allotted time as per the milestones for pre-construction activities and completion of projects has been exhausted as per MoU signed between NESTS and PSUs.

2. Shifting of milestone/ EoT is mandatory as per clause 4 of MoU. However, the proposals for shifting of milestones vide clause 4.3(a) for pre-construction activities & 4.3(b) for execution have not been received so far for approval of the competent authority of NESTS.
3. PSUs are requested to submit EMRS wise proposals along with hindrance details in prescribed format given in NESTS Guideline Dated 21.10.2022 for grant of shifting of milestones/EoT and for necessary action by the NESTS.
4. It is also requested to provide EMRS wise details of EoT if any, granted to the contractors by the competent authority of the PSUs.

In this regard, it is requested to kindly submit proposal for shifting of milestones/ grant of EoT as per the MoUs by 10th October, 2023 without fail. This may please be treated on highest priority.

This issues with the approval of competent authority.

Encl.: NESTS Guideline Dated 21.10.2022.

Yours faithfully

  
(R.P. Joshi)

Executive Engineer

**Subject: Guidelines to Construction Agency on submission of cases for Extension of Time for Construction of Eklavya Model Residential School (EMRS) in the designated tribal blocks of the country.**

PSUs have been allotted construction of Eklavya Model Residential School/EMDBS in the designated tribal blocks across the country. The work is in progress in many locations and few schools are near completion. Recently, a few cases of Extension of Time have been received in this office for approval. PSU has been allotted time period for each EMRS. But when allotted time gets expired and construction is not completed within the time allotted, PSU may seek Extension of Time (EoT) from NEST for the period beyond its control.

**A Guideline for submission of EoT cases is as under: -**

1. A Request for Extension of Time for the Complete Project (For Pre-Construction period and Construction period, both) justifying each & every extension shall be submitted to NESTS with proper documentary evidence. The fair and reasonable extension of time shall be granted by NESTS based on the merit of the case. For submission of cases for Extension of Time by PSU to NESTS, a format has been enclosed vide Annexure I.
2. EoT cases between PSU/CA and their contractor needs to be settled in the light of the clauses of agreement between PSU and their respective contractor. PSU/CA shall ensure that contract period with the Contractor shall be extended from time-to-time based on justified hindrance till completion of the work as per the terms & conditions of the contract. A copy of such extension granted to the contractor may be intimated to NESTS time to time. **The PSU shall also ensure that contractor engaged for EMRS may not get undue advantage on grant of EoT.** When there is delay for the fault of contractor, the action to levy of compensation as per the terms & conditions of the contract shall be initiated immediately.
3. PSU is required to take advance action if the work is hindered due to reason beyond the control of the PSU/CA or due to any event/delay by the owner, the construction agency may intimate such cases within fifteen days of happening of the event.
