Subject: Plantation in EMRSs-reg.

Dear Sir/Madam,

During a review meeting of progress in construction of new EMRSs, Secretary, Ministry of Tribal Affairs after looking at the photographs pointed out that most of the sites are devoid of vegetation which is unacceptable on account of environmental as well as aesthetic standards. He has desired that this year just before the onset of monsoon, plantation drives be taken up in all EMRSs.

You are requested to take up this year special plantation drives in all EMRSs (functional as well as under construction) of your State/UT with a judicious mix of fruit bearing, ornamental and trees with medicinal values.

Looking forward for your kind cooperation in the matter please.

Yours sincerely,

(Asit Gopal)
Commissioner, NESTS
