To,

Zonal Managers/ Project Directors/Chief Engineers,
(HSCL, TCIL, MANIDCO, B&R, WAPCOS, MTDC, NPCC, EPIL).

**Subject: Adherence to CPWD specifications/guidelines and amendments thereof in respect
of "Internal Water Supply and Sanitary Lines" reg.**

Sir,

All PSUs are hereby, directed to adhere to CPWD PAR 2023 Brief specification/guidelines specifically for "Internal water supply and sanitary lines and fixtures/fittings".

2. In line with CPWD specifications, instead of providing depression in entire toilet slab localized depression may be provided for squatting type WC pan wherever required.
3. To avoid delays due to improvements/changes in the design of toilet blocks as per CPWD specifications, the changes may be planned & made in advance before start of work at site.
4. The specifications shall be strictly followed in all the works where construction has not started yet.

This issues with the approval of competent authority.

Yours faithfully,

(R.P. Joshi)

Executive Engineer
