

NESTS/EMRS/stateissues/100/2021-22

Dated:23/05/2025

All Principals,
Eklavya Model Residential Schools (EMRS)

Subject: Compliance with Guidelines and Directions Issued by NESTS – reg.

It has come to the notice of NESTS that in certain instances, implementation of guidelines and directions issued by NESTS, is being delayed due to the failure of the State EMRS Society to circulate the orders to EMRSs located in the respective states.

2. This is to reiterate that all guidelines, instructions, circulars, and directives issued by NESTS are to be treated as binding and must be implemented promptly and in full by all EMRS institutions without awaiting further approval or instructions from the State EMRS Society.

3. NESTS is the central body for EMRS operations and its directives are applicable across all schools under its ambit. Compliance with NESTS guidelines is crucial for maintaining uniformity, quality standards, and for the effective functioning of EMRS across the country.

4. It is, therefore, directed to:

- Follow all circulars, advisories, and instructions issued by NESTS as and when they are received.
- Ensure timely and accurate implementation of all policy and administrative decisions from NESTS.
- Refrain from delaying action on the grounds of awaiting state-level approval unless explicitly required.

5. Non-compliance will be viewed seriously and may attract appropriate administrative action.

Your kind cooperation in this regard is highly appreciated.

-sd-

Kumud Kushwaha
(Deputy Commissioner)
