NESTS/H-1/45/Recruitment/2024-25

Date: 23.05.2025

To,
Nodal Officer
All State EMRS Society

Subject: Direction on the joining of candidates posted through waitlist under ESSE-2023

NESTS has operated waitlist in respect of various teaching and non teaching posts through ESSE-2023. Postings have been done anticipating the opening of new EMRSs as communicated to NESTS.

Candidates have been directed to report to State EMRS Societies for completing joining formalities. It is reported that, in a few States, the candidates are not being allowed to join after reporting due to various reasons like school is not yet made functional etc.

It is requested to allow the candidates who are reporting to join through waitlist and they may be temporarily attached to nearby EMRSs or at State Society if the school concerned is not functional till the schools are made functional. It is also requested that the non functional schools may made functional immediately to utilise the services of staff posted as well as to protect the interest of aspiring students.

This issues with the approval of the competent authority.
