

F. No. NESTS/EMRS/CAC/109/21-22/

Dated: 09th June, 2025

To

The Principal,

Eklavya Model Residential School (EMRS),
(As per list).

Subject:- Formation of Alumni Meet in Eklavya Model Residential Schools-reg.

With reference to the above subject, it is to state that over the past few years, a significant number of students passing out of class- XII from EMRSs have joined various professional colleges/ higher education in order to continue their education in different areas. Many others have embarked on diverse vocational paths and also would have created place for themselves in the main stream of the country.

It is felt that such ex-students should be invited to their respective schools and given a due share of recognition so that they feel the pride of being a student of a EMRSs. In order to plan and make a continuous contact with ex-students, it has been decided that an **Alumni Meet** be formed in each EMRSs from onwards this current academic session.

In this regard, following is communicated for guidance and further necessary action—

- (1) A senior teacher should be designated as In-charge of Alumni Meet who should maintain comprehensive record of the ex-students of the schools. (Ex-students are those who come out from a EMRSs after completion of their studies up to Class-X or XII, whichever is highest).
- (2) A suitable day/date (preferably first Sunday of any Month) should be earmarked in the Schools calendar for holding the annual Alumni Meet of the ex-students. All eligible ex-students either be informed and invited through post or through an advertisement in the local newspaper to attend the meeting on the said date. Preferably, a date should be permanently fixed so that expenditure on publicity could be avoided during subsequent years.
- (3) After formal welcome a lecture session may be arranged at school and ex-students invited to speak of their experiences of EMRS background and its input in their career profile.

- (4) After a formal meeting, a friendly game of Volley Ball/Foot Ball/Cricket may be organised where a team of ex-students plays a match with existing EMRS team. This should be followed by a common lunch where all teachers and students are also present. The expenditure on refreshment, Lunch and tea etc. should be met from mess budget of the school.
- (5) A short duration cultural programme may also be organised in the school where ex- students should also be encouraged to participate in the cultural programme and also to speak to existing children in order to guide them for better performance.
- (6) Complete record of all ex-students year wise may be maintained by the teacher Incharge of the Alumni Meet. Their current status and address should invariably be up-dated every year.
- (7) The ex-students should also be invited to Annual Day/Annual sports day of the School and also requested to contribute for the School magazine.
- (8) While sending the invitation they are requested to bring with them a passport size photograph to be retained at school.

Additionally, it has been experienced that the ex- students, in a few EMRSs, are taking keen interest in the activities of the schools and are also extending their helping hand in solving various problems faced by the schools. After the formation of Alumni Meet, it is hoped that the participation of ex-students shall go long way in creating and enhancing better social relations between community and the School. Furthermore, NESTS HQ intends to highlight the achievements of EMRS alumni in various fields through an "**Achievements**" section in the Annual Report.

In this regard, it is requested to collect a brief bio-data and with good-quality photograph of notable alumni and share it with the Academic Division of NESTS through email (acad.hq@nests.tribal.gov.in) in the format attached herewith as **Annexure I** and google link (<https://forms.gle/JjqJRwjK4cMX57Qp7>).

Your cooperation is highly solicited.
