Urgent

The Nodal Officer,
State/UTs EMRS Society,
(As per list)

Subject: - Request for enrolling EMRS students in NCC program- reg.

With regard to the subject above, it is important to highlight the importance of encouraging EMRS students to enrol in the National Cadet Corps (NCC). Participation in the NCC plays a crucial role in developing discipline, leadership skills, and a strong sense of national pride among our youth, thereby contributing significantly to their holistic development.

In view of the above, active support should be given to EMRS' students to participate in NCC activities as NCC will provide a unique platform for our students to develop physical fitness, social responsibility, and a deep understanding of our nation's values. Furthermore, their exposure to various community service initiatives through NCC will develop a strong sense of civic duty.

In this regard, it is requested to direct all the Principals of EMRS in your state to facilitate enrolment of students in NCC and in case any issue arises during the enrolment process, the concerned State/UT society can directly contact the respective State Directorates of the NCC for redressal of the issue.

Looking forward to your kind cooperation.
