F. No. NESTS/EMRS/CAC/109/2021-22/1343

Dated: 29th July, 2024

The Nodal Officers,
State/UTs EMRS Society,
(As per list)

Subject: Establishing 'Entrepreneurship Club' in all EMRSs - reg.

With reference to the subject cited above, it is stated that for sensitizing the EMRS students towards entrepreneurship avenues, it has been decided that all EMRSs shall have entrepreneurship club and quarterly competition shall be organized at school level. Also, workshops by leading local entrepreneurs/alumni are to be organized at least twice a year.

By initiating the above, it is believed that students will have a platform to develop their innovative ideas, learn fundamental business principles, and gain practical experience in managing and running a business. Further, the benefits of these initiatives are to acquire essential entrepreneurial skills, such as critical thinking, problem-solving, financial literacy and cultivate leadership qualities among students. To implement this initiative, the following steps are proposed:

1. Establish entrepreneurial clubs within each EMRS for conducting related activities.
2. Organize competitions covering essential aspects of entrepreneurship.
3. Partner with local entrepreneurs to provide mentorship, resources and workshops for students.

In this regard, it is requested to kindly direct the concerned officer and EMRS Principals to do the needful to facilitate the establishment of these Entrepreneurship Clubs and other promotional activities as mentioned above in their respective EMRSs.

Looking forward to your kind support and cooperation.
