Sub: Ensuring safety of Students and staff with families in EMRS campus- reg

EMRS is a residential co-educational school in which ST students stay in the campus and free education is provided from classes VI to XII. Parents of our students handover the students with the hope that the students improve in their academic performance in addition to ensuring the safety of the students in EMRS. Hence, it is our duty to ensure that the inmates in the campus are safe.

It is brought to the notice of this office that common public are also passing through the EMRS campus for their personal purpose and the safety of inmates is compromised. This may be due to opening provided in the boundary wall or lack of boundary walls for the campus. Trespassing the campus is viewed seriously. It is requested to ensure that no outsider is allowed to use the campus of EMRS for any purpose other than the work related to EMRS.

If any administrative inconvenience is faced by EMRS in stopping the trespassing, the same may be brought to the notice of District Magistrate/ Collector with a request to resolve the issue in the interest of safety of students and staff. Action taken in similar cases may be brought to the notice of NESTS for further follow-up action.

Your cooperation is requested.

This issues with the approval of the competent authority.
