All State/UT EMRS Society

Subject: - Implementation of School Management System in EMRSs.

Sir/Ma'am

In reference to the NESTS letter no. NESTS/H-1/9/MoUwithbanks/2024-25 dated 19.06.2024 wherein it was decided to implement the School Management System/HRMS across all functional EMRS Schools. As a part of our ongoing efforts, NESTS has successfully implemented the payroll module at the central level, which will soon be rolled out to individual schools in the coming month.

In line with our commitment to improve the educational administration, NESTS is now set to introduce additional features/modules of the School Management System/HRMS Solution. The modules being introduced are: -

- Student Information System
- Faculty Information System
- Academy Management System
- Inventory Management System
- Staff Attendance and Leave Tracking
- Student/Teacher Mobile App for Android/IOS

The initial rollout of these modules will be in the State/UT of Gujarat, Rajasthan, and Dadar & Nagar Haveli and thereafter will be rolled out to other States/UT in phased manner.

Representatives from M/s Jaynik Eduserve Private Limited will be reaching out to the respective State/UT Societies and schools to facilitate and guide the successful implementation of the School Management System. The contact details of the Representatives from M/s Jaynik Eduserve Private Limited will be shared with the state societies in due course and school contact details will also be shared with the M/s Jaynik Eduserve Private Limited.

We kindly request your support in disseminating this information across all EMRSs and for extending your cooperation to ensure the successful deployment of the School Management System/HRMS Solution.

Thank you for your attention and cooperation.

Yours Sincerely

K C Meena
