NESTS/H-1/45/Recruitment/2024-25

Date: 09.10.2024

To

The Nodal Officer,
Tribal Development/ Welfare Department,
All States (As per list)

Subject: Relieving of staff deputed by State Societies for EMRSs upon joining of newly posted NESTS employees selected through ESSE-2023 – Reg.

NESTS has successfully posted a total of 9003 teaching and non-teaching staff in various Eklavya Model Residential Schools (EMRS) across the country selected through ESSE-2023.

However, it has come to our notice that despite the joining of newly recruited staff at several EMRSs, staff deputed by State societies for the same post are still continuing their services. This dual presence of staff has resulted in surplus staff and a shortage of accommodation for the newly posted staff.

Thus, to ensure optimal utilization of resources and maintain the intended efficiency of the EMRSs, we kindly request your cooperation in relieving the staff who are posted against the post for which newly recruited have joined. This will allow for a seamless transition and enable the newly recruited NESTS employees to assume their full responsibilities. You may relieve the staff accordingly within 10 days. The salary of such staff would not be payable on account of duty in EMRS after the expiry of 10 days from the date of issue of this letter.

However, the staff who are working against the vacant posts may be allowed to continue their service until the new incumbent joins. The action taken report may be conveyed to the undersigned by 21.10.2024.

Your cooperation in this regard is highly appreciated.

This issues with the approval of the competent authority.
