F.No. NESTS/Admin/Recruitment&RO/2023

Dated: 04/12/2024

To,

The Nodal Officer,
All State EMRS Societies,

Subject: Engagement of counsellor in EMRSs through outsourcing – reg.

Ref.: Circular No. NESTS/Recruitment&RO/2023 dated 30/08/2024 (Circular No. #47 on NESTS' website)

Please refer to NESTS' circular referred above, conveying therein instructions regarding safety and security of students and engagement of student's counsellor through outsourcing in EMRSs.

2. In this regard, it has come to notice of NESTS that many schools are yet to engage counsellors for the students.
3. It is pertinent to mention here that students face a range of academic, emotional, and social challenges, and the presence of a trained counsellor in EMRS will offer valuable support to help them navigate these issues.
4. Further, the need for student's counsellor is rooted in the growing complexity of modern student life, where mental health concerns, academic pressure, family issues, and social dynamics can significantly impact a student's well-being and development.
5. Therefore, it is once again reiterated that the concerned State Society must engage a qualified counsellor urgently for students in each EMRS of the State. A compliance report in this regard may kindly be shared with NESTS at the earliest.

This issues with the approval competent authority.
