Tribal Welfare Department,  
(Concerned States).

**Subject: Critical Gap Analysis of EMRSs Sanctioned under Article 275(1) and Submission of Proposals under Dharti Aaba Janjatiya Gram Utkarsh Abhiyan, GoI.**

Sir/Madam,

As you are aware, Eklavya Model Residential Schools are being established across the country with the objective to not only promote academic excellence but also to ensure all-round development of tribal students.

As part of this initiative, Ministry of Tribal Affairs approved 288 EMRSs under Article 275(1) of the constitution with a provision for grant-in-aid, and 452 EMRSs under the revamped EMRS scheme. The revamped scheme includes enhanced infrastructural facilities and details of its infrastructural components are attached at **ANNEXURE**.

In this regard, you are requested to assess the infrastructural gaps in EMRSs approved under Article 275(1) vis-à-vis those approved under the revamped scheme. In order to fill gaps in these schools, it is requested to submit the detailed proposals of infrastructure requirement to Ministry of Tribal Affairs, under the **Dharti Aaba Janjatiya Gram Utkarsh Abhiyan**, with a copy shared with NESTS for information.

The Dharti Aaba Janjatiya Gram Utkarsh Abhiyan envisions the comprehensive development of tribal areas and communities by addressing critical gaps in infrastructure, healthcare, education, and livelihoods.

Looking forward to your kind cooperation and engagement in enhancing the learning environment for tribal children.

Enclosed: As above

Yours faithfully,

Date: 01.05.2025

To,

Secretary/Commissioner/Member Secretary/Director,  
State EMRS Societies.

**Subject: Issuance of detailed guidelines (Revised) on recurring cost of EMRSs for the FY 2024-25 and FY 2025-26 (01.04.2024 onwards)-reg.**

Sir,

With reference to the subject cited above, the National Education Society for Tribal Students (NESTS) is hereby issuing the revised guidelines on recurring expenditure for Eklavya Model Residential Schools (EMRSs) for the financial years 2024-25 and 2025-26. These revised guidelines, effective from 01.04.2024, aim to ensure the smooth and efficient functioning of EMRSs across the country.

2. The guidelines are accompanied by a **Schedule of Power (SoP) for Principals**, along with a model price list, to provide clarity on permissible items of expenditure and accountability mechanisms. These guidelines are to be strictly followed by all EMRSs under your jurisdiction to maintain uniformity and transparency in fund utilization.
3. Further, NESTS has issued a letter dated 22.04.2025 regarding the streamlining of the fund release process to EMRSs through the respective State Societies. Therefore, it is once again reiterated that the recurring funds meant for students are to be released by the State Societies to the concerned EMRSs **within seven (7) days** from the date of receiving funds from NESTS HQ in reference of NESTS circular no. NESTS/Finance/EMRSSocietiesFinance/160/2021-22 dated 22.04.2025. This process shall **not require any separate approval** at the State level.
4. In addition, the State EMRS Societies may request advance funds for newly functional EMRSs expected to commence operations in the upcoming financial year. This advance may be based on estimated expenditure for up to 30 students for a period of three months. Such advances will be adjusted against the subsequent financial year's fund allocation.
5. You are requested to disseminate these revised guidelines and associated documents to all EMRSs and ensure compliance.

This issues with the approval of the competent authority.

Enclosures:

- i. Revised Guidelines on Recurring Expenditure for FY 2024-25 and 2025-26
- ii. Standard Operating Procedure (SoP) for Principals
