

File No. NESTS/ADMIN/MiscProg/379/2022-22

Dated :23/12/2025

Circular

Subject: Unauthorized Procurement Approaches Using NESTS Name.

It has come to the notice of NESTS that certain private agencies/companies are approaching EMRSs, claiming to be recommended or authorized by NESTS, for the purpose of procurement of goods or services.

It is hereby clarified that no NESTS official or office has sent or authorized any agency/company to approach schools for procurement. Any such claims made by these agencies are unauthorized and misleading.

All Principals are requested to treat this matter with utmost seriousness. In case any such approach is received:

- i. Do not engage with the agency.
- ii. Immediately bring the matter to the notice of NESTS with full details of the agency and communication.
- iii. Strict adherence to this instruction is necessary to prevent any misuse of NESTS' name and to safeguard the interests of the schools.

This is issued with the approval of competent authority.
