Dated: 03.02.2026

To,
The Commissioner/Director/Member Secretary,
All the EMRS Society

Subject: Disbursement of Repair & Maintenance Component of Recurring Grant to EMRS – reg.

Sir/Madam,

In continuation of our letter No. NESTS/Finance/EMRSSocietiesFinance/160/2021-22-Part-1 dated 13.01.2026, wherein MoTA approved the disbursement of the Repair & Maintenance component of the Recurring Grant for EMRS operating in their own buildings, it has come to our notice that some EMRSs have raised queries regarding maintenance work for institutions functioning in other Government buildings.

2. In this regard, the competent authority has approved the release of funds for repair and maintenance of EMRS buildings operational in other Government buildings. The maximum permissible expenditure under the Repair & Maintenance component shall be ₹2,00,000 per 100 students per annum, maximum upto 10 Lakhs.
3. It is further clarified that the funds shall be claimed on a proportionate basis, i.e., if an EMRS is planning to move to its own building during the year, the Repair & Maintenance fund shall be claimed proportionately for the period the school continues to operate in other Government premises.
4. All other terms and conditions will remain the same as mentioned in the above letter.

This issues with the approval of the competent authority.
