

F. No. NESTS/H-2/19/Space Lab/2025-26/2084

Dated: 2nd March, 2026

The Nodal Officer

EMRS State/ UT Society,
(As per list).

Subject: Dissemination of Space Lab LMS Portal for Capacity Building and Effective Utilisation by EMRS Teachers - reg.

Under the Space Labs established in EMRSs through the BPCL Project, BPCL has also developed a dedicated Learning Management System (LMS) Portal containing video tutorials and structured courses to support teachers in understanding the Space Lab models provided to the schools and their effective utilisation for academic purposes.

The LMS portal includes learning modules on various components such as Table Top Models, Astronomy, DIY Kits, and ISRO Display Models, and is intended to serve as a reference platform for teachers to familiarise themselves with the equipment and integrate Space Lab resources into classroom teaching-learning processes. Further,

In this regard, it is requested to disseminate the LMS portal link with the concerned Principal under your jurisdiction for their use and reference. Schools are requested to encourage teachers to access the portal and make effective use of the available learning resources. Further, schools may also be advised to encourage students to opt for Space/ Rocket Skill Education offered by CBSE as a 6th subject, wherever feasible.

LMS portal link: - <https://emrs-lms.spacenetwork.in/>.

This issues with the approval of the competent authority.

- sd -

(Kumud Kushwaha)

Deputy Commissioner, NESTS.

Copy to:

- i) The Principal Secretary, Tribal Welfare Department, Govt. of State/ UT (as per list), for information please.
- ii) The Principal, EMRS (As per Annexure-I), for compliance and information.
