

F. No.: NESTS/EMRS/Training/14/2020-21

Dated:03/03/2026

CIRCULAR

Subject: Mandatory Reporting to Respective EMRSs Immediately After Completion of Training -reg.

NESTS has received several representations regarding participants who attended training at Delhi and, after being formally relieved from the training programme, proceeded on leave (CL/EL/Medical Leave) without reporting back to their respective schools. This practice is not permitted.

In this regard, it is hereby reiterated that all participants, immediately upon completion of the training programme and being formally relieved from the training venue, shall report to their respective EMRSs without fail and on priority. No leave of any kind shall be availed at that stage.

All Principals shall ensure strict compliance with these instructions. Any deviation shall be viewed seriously. The period of absence in such cases shall be treated as Extra Ordinary Leave (EOL), and appropriate disciplinary action shall be initiated as per the applicable rules.

This issues with the approval of the Competent authority.
