To,

The principal,
ALL EMRSs

Subject: Instructions Regarding Maintenance of a Single Operative Bank Account in EMRSs-reg.

Sir/Madam,

It has been noticed during the review of financial records that several EMRSs are maintaining more than one bank account for day-to-day financial transactions. Maintaining multiple bank accounts may lead to difficulties in financial monitoring, reconciliation, and compliance with Government financial rules.

2. It is mandatory for all EMRSs to maintain only one operative bank account for the receipt and utilisation of funds. Accordingly, all EMRSs shall ensure that any other bank accounts currently being used for the receipt of recurring grant funds from NESTS are closed with immediate effect.

3. The operative bank account may be maintained in any nationalized bank, as per the convenience of the respective school. However, the account shall be integrated with the Public Financial Management System (PFMS), and all receipts and payments shall be routed exclusively through PFMS. No financial transaction shall be carried out through any other bank account.

This issues with the approval of the competent authority.
