No. F.NESTS/General/Finance Committee of NESTS/186/2021-22

Dated: 07th September 2024

Notification

Subject: - Payment of Special Pay to the EMRS Employees-reg.

EMRS is residential co-educational school where all the students are provided with facilities free of cost to study from class VI to XII. Considering the residential nature, accommodation is made available for the staff in EMRS. With regard to prioritization of allotment of accommodation, direction will be issued shortly. Staff who are staying in the campus are involved in various activities 24×7 in the interest of the school. In recognition of the additional responsibility taken up by the staff beyond normal duty hours, the creation of posts has been sanctioned by Competent authority with the special pay at the rate of 10% of Basic Pay for all regular staff of EMRS who are appointed with the approval of NESTS.

Special Pay Details:

- **Rate**: 10% of the Basic Pay p.m.
- **Effective Date**: From the date of joining of staff on regular basis in NESTS.

This special pay is payable to the regular teaching and non-teaching staff appointed with the approval of NESTS and who are staying in the campus of EMRS. In case the accommodation is not made available in campus, based on personal certification of Principal, the special pay would be admissible to staff living outside campus till the time accommodation is not offered in campus; provided they carry out all responsibilities required for residential schools. In case if accommodation (independent/shared) has been offered in campus, and the staff does not occupy it immediately, the special pay would not be admissible (In such cases even HRA would not admissible).

This issues with the approval of the competent authority.
